

**Amendments to the Written Description**

At specification page 4, replace the paragraph beginning with "[f]igure 1 illustrates" with the following replacement paragraph:

Figure 1 illustrates an inlet pipe 10 to a combustion engine 12. It should be noted that Figure 1 is disclosed for understanding of the invention and is not part of the invention as defined in the claims. The pipe 10 has an inlet section 11 that receives ambient air which is then fed to a an air humidifier 5 that receives heat  $q_3$  and water from a pipe 42. The bleed-off water from the humidifier 5 is removed via an outlet pipe 47. Fuel, e.g. natural gas, is fed to the machine 12, via an inlet to the pipe 10 upstream of the engine 12 or by a direct intake to the machine.
